ENHANCE THE BEAUTY AND VALUE OF YOUR SURROUNDINGS!

We have made it easier for you to get our most popular windows, doors and accessories by combining them in this brochure.

With the ever increasing demand for an energy efficient environment, Canada Glass and Mirror can help you achieve this with our large range of energy saving products, which can maximize your heating and cooling efficiency, ultimately saving you money.

Whether as a home upgrade, a renovation, or as part of your newly constructed industrial or commercial environment, our high quality vinyl windows and door entrances are the best in the industry. We are committed to customer satisfaction and will provide you with the absolute best service.

WINDOW STYLES & SIZES

WINDOW ACCESSORIES

VERSATILE & FLEXIBLE

For new homes, these windows are built to your individual needs with optional nail fin and brick mold, with jamb returns and frame extensions to fit your type of wall construction.

One of the top reasons people decided to replace their existing windows is to increase the energy efficiency of their home.

The easiest way to know which window is right for you is by looking for the **Energy Star label**. It is your assurance that you are purchasing a window that will be energy efficient all year long.

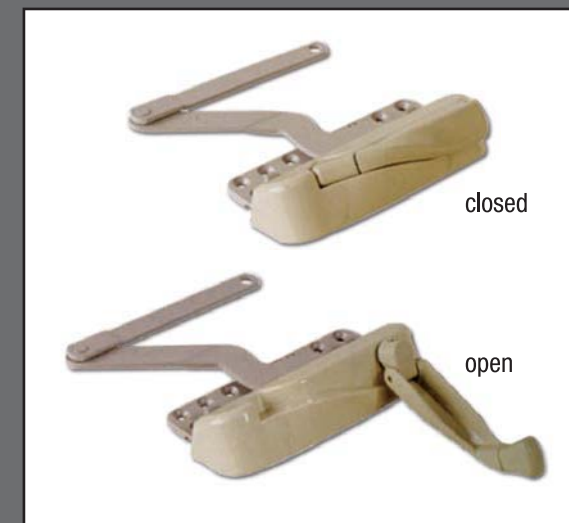

MANUFACTURER'S LIFETIME WINDOW WARRANTY (LIMITED)

All vinyl windows have a 20 years against seal failure manufacturer's warranty against defects in materials and occurring to or as a direct result of the manufacturing process, under normal use and service subject to the terms and conditions contained.

For more information visit our website www.canadaglass.ca or call us at (416) 245-7032.
