wood & colour

The natural grain and beauty of wood has an undeniable attraction. Its association with nature and comfort has a universal appeal that is readily expressed through selections including cherry, beechwood, walnut and pine. Exquisite staining and finishes ranging from casual and rustic to sheen and wax can be obtained in a variety of classic and fashionable colours.

gold & silver

Precious metals remain the focus of a timeless quest for prestige and distinction. The artistry of the hand-applied leaf remains a valued craft and is complemented by modern applications involving innovative methods that add both creativity and value to gold and silver design.

Liner & Fillet

Enhancements to mat,
liner or frame, fillets
introduce customized
complexity, adding a refined
and personalized touch. Offering
definition through bordering, liners
create space that enhances proportion.
Discriminating artists and designers place
a high value on their contribution to art
appreciation.
